PRESIDENT'S MESSAGE

To all SNGMS Members:

Hi everyone, it's time for the next Slab to get sent out. We had a great month of June. The 4th of July has past but that's not all for this month. Sunday, July 21st at 1130, we have a winery tour setup at the Pahrump Valley Winery, 3810 Winery Road, (775 751-7800). The cost of the tour is \$5 per person. We're reserving a dining room that holds 28 people and at this time we have 14 signed up. It's a trip indoors so please come and enjoy the wine, lunch and the get together. It too hot for a field trip at this time of year.

We have some proposed field trips for the near future, they have to be approved and scouted out. We never know what the road conditions are due to flash floods. Some of the trips are a little long but they're real good minerals to be had and lots of them. Del Walkenshaw is coordinating with a mine owner in Tonopah to let the Club come and collect some Variscite, Turquoise and White Buffalo. We're keeping our fingers crossed on that one.

As most of us know, we have very few members in the 20s 30s 40s age groups. We need to fill that gap. So as President, I want to get a committee together to work on the recruiting. They are working people and we have to find ways to get the message out to them and their families about our club and what we do and have that they would be interested in. So Please step up and be a part of this group to work on these goals. We need all the help we can get to the message out. If we can recruit a 100 to 150 new members it would give the club a lot more resources to do the things we want to do and to reach out to the community.

In September, Bill Moore and I are going up to Ely, NV to file a claim for the club near Lund, Nv. We are not expecting any problems. It has a campground near by. That will be another BIG ONE for the Club.

Bob Belcher, President, SNGMS, July 2019

SNGMS Exclusive!

Who: SNGMS Members

What: Exclusive Tour of the McCaw School of Mines

Where: 57 Lynn Lane, Henderson, NV 89015

When: August 10th, 2019 – 9:00 am – 11:00 am

It's one of the best keep secrets in Henderson and we are getting an exclusive tour!

The McCaw School of Mines is built on the campus of the McCaw STEAM Academy. It started out as a papier-mâché model of a mine tunnel built in the corner of a classroom. Teacher Janet Bremer and others were instructing a course on Nevada mining and felt the model would give fourth grade students more of an idea of what it was really like to be in a mine.

Shortly thereafter, the Gordon McCaw Elementary School staff met, discussed the idea, and then decided to “think big.” As a result, in 1996, the McCaw School of Mines became a 4,500 square foot reality at the McCaw STEAM Academy in Henderson, Nevada. Built along the same lines as the *Indiana Jones* exhibit at Disneyland, it is the only simulated mine of its kind in the state of Nevada.

For the tour, the mine is located at 57 Lynn Lane, next to McCaw Elementary School. There are two gates, A and B, but we will let your tour in thru the B gate. People can park outside either gate. Please be on time – the tour will start at 9:00 am sharp!

If you are planning to attend, please RSVP me at:

SNGMS Board meeting minutes for 06/27/2019

On June 27th, 2019, the regular Board of Directors meeting of the Southern Nevada Gem and Mineral Society was called to order at 6:00 PM by the President. The Secretary was present. The pledge of allegiance to the flag was recited.

The minutes of the May 30th, 2019 meeting were approved as read.

The treasurer reported balances and reported that the investment account transfer and re-investment have been completed as discussed.

Possible future field trip, Award Banquet catering, and an upcoming clock class with probable September 23-24 date were discussed.

The August 1st Board meeting is rescheduled to Monday, July 29th due to the number of Board members attending the RFMS convention in Prescott.

An October 12th tentative date for a picnic at the Ore Car claim was discussed, weather permitting, with cooking starting at 11 AM.

A decision to change our website host to Wix was made and will be implemented, retaining the same domain name.

A donation from Sandy Klepzig was received in the memory of her late husband, Scott Klepzig, who was a SNGMS member.

Peggy Sue Moore proposed, seconded by Bruce Martin, and approved by the Board that, "the locking mechanism on the shop front door be replaced."

Del Walkenshaw proposed, seconded by Bruce Martin, and approved by the Board that, "funds be appropriated to reimburse delegates (Peggy Sue Moore and Sheri Johnson) to the RFMS Meeting in Prescott Valley for their expenses not to exceed a total of \$500.00."

Sheri Johnson proposed, seconded by Peggy Sue Moore, and approved by the Board that, "\$500.00 be donated to the AFMS Scholarship Fund."

Ideas for increasing membership numbers were discussed.

The meeting was adjourned at 7:29 PM.

NEW MELTING DISH:

A new melting dish or crucible must be given a protective coating of borax before its first use. Borax extends the life of the ceramic material. Once done, it generally does not have to be repeated.

The procedure is straightforward. Heat the new melting dish to red with a large torch. You'll need plenty of heat. I use an acetylene/air Prest-O-Lite torch with a large #5 nozzle.

When the dish is hot, sprinkle in a half teaspoon of borax, let it melt, and spread it with a carbon rod over all of the interior surface of the dish. Add more borax if needed.

Sometimes you will have to hold the dish at an angle to coat the sides up to the rim. And don't forget to coat the pouring spout itself.

Prescott Gem & Mineral Club President's Letter 2019

I would like to thank the RMFMS for inviting the Prescott Gem & Mineral Club to host the 2019 Conference! It is an honor to be able to be of service in this capacity! I would also like to thank those who have been involved in making sure that this year's conference is a success for everyone!

It has been a real pleasure working closely with Gail Walker (PGMC Liaison/Conference Host) and I have been extremely impressed with her dedication and work! A huge thank you to Liz Thomas, Richard Jaeger, Gene Maggard and Jodi Brewster for all their help answering questions and aiding in making sure we are providing everything we need to make this event a great success!

I am very excited that the Conference is being held right here in Arizona and hope that for you Arizonians who have not been able to travel further distances, take the opportunity to attend the events and learn more about the RMFMS, who they are, why they are important, and what they offer to all of us as member clubs within its region!

For those of you who will be here from other states, we welcome you and are very pleased that you are coming!

Arizona is a state that is considered "Rock Hounding Heaven" by many of us here and hope that you take home many fond memories! And of course, some amazing finds.....

We look forward to seeing you all here!

SNGMS General meeting minutes for 07/01/2019

On July 1st, 2019, the regular meeting of the Southern Nevada Gem and Mineral Society was called to order at 6:00 PM by the President. The Secretary was present. The pledge of allegiance to the flag was recited.

The minutes of the June 3rd, 2019 meeting were approved as read.

The treasurer reported account balances.

Diane Burgess discussed the Turquoise Chief store closing sale. An email will be sent with details.

A tour of the Pahrump Valley winery is planned for July 21st and a tour of the McCaw School of Mines is scheduled for August 10th. Signup will be at the August meeting.

A donation from Sandy Klepzig was received in the memory of her late husband, Scott Klepzig, who was a SNGMS member.

Sunshine: Peggy Sue Moore reports that Barbara Belcher had shoulder replacement surgery but is at the meeting. Tom Kidwell's wife, Lisa, had emergency surgery for a spine infection, Scott Edwards was not at the meeting due to having a fall.

Metal smithing class on Tuesday will include scrimshaw with Jim Calloway. There will be no beading class this month. A clock class will probably be held in August, with class size limited to eight people at a time. Class information will continue to be emailed to membership.

Shop: All equipment is working. Come down and join in the fun at the shop!

Kids Club: a 'fossils of the sea' presentation will be made to 150 Boy Scouts. The July 14th Kids Club meeting will feature wire wrapping, and any help from wire wrapping adults will be appreciated. Mary Beth Paladino thanked everyone for their support of the youth activities.

Membership: John Stackhouse reports 410 adult and 64 child members.

Cab Contest winners were: First Place – Debbie Bucknam, Second Place – Caryn Crotty.

The Rocky Mountain Federation convention and show will be in Prescott Valley on August 2-4. The convention will be here in 2022. Our Vice President, Sheri Johnson, is running for RFMS Vice President.

Bob Belcher discussed starting a committee to recruit younger families as club members. The new policy for use of shop equipment by child members was discussed.

There will be a picnic at the Ore Car Mine Claim on October 12th with cooking starting at 11 AM. Come early to hunt for rocks.

The possibility of a catered Awards Banquet at Sunset Station, Henderson was discussed vs a pot luck. Voting on the choices will be at the August meeting.

Bill Moore proposed, seconded by John Stackhouse, and approved by the membership that, "the meeting be adjourned." The meeting was adjourned at 7:35 PM.

Birthstones for the Month of July is Ruby: Ruby is a pink to blood-red colored gemstone, a variety of the mineral corundum (aluminium oxide). Ruby is one of the traditional cardinal gems, together with amethyst, sapphire, emerald, and diamond.^[3]The word *ruby* comes from *ruber*, Latin for red. The color of a ruby is due to the element chromium. A clear stone will command a premium, but a ruby without any needle-like rutile inclusions may indicate that the stone has been treated. Ruby Symbolizes love and passion. The Stone is associated with vitality and strong feelings. Because of its beauty and rarity, the Greeks called it the mother of all gemstones.

RING SIZE VARIATIONS:

The numerical sizes marked on ring gauges and ring mandrels are often not the same across different manufacturers. If you're using a ring gauge to measure a customer, be sure to compare the markings on the gauge with the markings on the mandrel you use to make the ring. They may not be the same.

Also, you may have to adjust a little for the width of the ring shank. If you're making a wide shank ring, the ring generally has to be a little bit larger in diameter than the ring gauge size in order to get a comfortable fit.
